Susan Polgar, Douglas Goldstein : Rich As A King: How the Wisdom of Chess Can Make You a Grandmaster of Investing before purchasing it in order to gage whether or not it would be worth my time, and all praised Rich As A King: How the Wisdom of Chess Can Make You a Grandmaster of Investing:

4 of 4 people found the following review helpful. Combines two of my great passions!By Fred ForbesI will admit it. I am jealous! I have the Certified Financial Planner (r) credential like co-author Douglas Goldstein and I am a chess lover. It would have been great to have the opportunity to work alongside Susan Polgar to develop a book like this. I

am always seeking to find ways to educate clients about financial matters and this one is full of great ideas and examples. A bit repetitive on the financial side but a great job of exploring the basics of financial planning and chess strategy and demonstrating the commonalities. I enjoyed the many references to classic comments by grandmasters and historical games and well as Susan's insights into tournament play. Frankly, I do not know how well this book will resonate with those who have little interest in chess but for me it is a winner. Interesting website to compliment the book as well. 1 of 1 people found the following review helpful. Excellent advice in an enjoyable format! By Margaret
Financial advice is rarely entertaining, but this makes its various points really well. I learned a lot about investment strategy in an interesting way. 3 of 3 people found the following review helpful. Glad I Bought the Book By Barry Heinz
This book is a good starting point for learning about investing. At first I thought the linkage to chess might just be a gimmick, but it actually works well. The blog, podcasts, and other material available through the related Web site are a nice bonus.

Chess champions are among the strongest strategic thinkers in the world. Imagine if you could apply the thought processes of grandmasters like Bobby Fischer, Garry Kasparov, and Susan Polgar to your own investments. *Rich as a King: How the Wisdom of Chess Can Make You a Grandmaster of Investing* unlocks the secrets of chess in a tangible way so you can apply them to managing your own finances. With the guidance of World Chess Champion and Grandmaster Susan Polgar—one of the greatest players in the history of the game—along with international investment advisor Douglas Goldstein, CFP®, you can learn how to apply the wisdom of chess to make you a grandmaster of your investments. Packed with practical examples and never-before-heard stories from the chess world, Susan and Doug will show you:
What has been holding you back from success
The moves Susan used to win 10 Olympic medals, which you can start using right now to manage your money
The 64 strategies that can make you Rich as a King!
Thinking one step ahead and creating a detailed financial plan will bring you closer to your ultimate goals of building your wealth.

About the Author
Grandmaster Susan Polgar is one of the top chess players of all time. She won her first chess tournament at age four, was the first woman to win the title of Grandmaster, and at fifteen became the highest-ranked woman player in the world in 1984. From 1996 to 1999 she held the title of Women's World Chess Champion (click here for complete bio). Susan is the director of SPICE (Susan Polgar Institute for Chess Excellence) at Webster University and head coach of the Webster University chess team, ranked No. 1 in the nation. She has written several books, including *Queen of the Kings Game to Chess Tactics for Champions: A step-by-step guide to using tactics and combinations the Polgar way*. Douglas Goldstein, CFP®, is a third-generation financial advisor and president of Profile Investment Services LTD. His grandmother and mother worked on Wall Street as investment advisors and taught him the importance of listening to his clients' wishes and understanding their needs when he began on Wall Street in 1992. He is a Certified Financial Planner® practitioner, licensed in multiple countries. A college lecturer and trainer to private bankers, Douglas also writes a weekly newspaper column and hosts a popular weekly personal finance radio show, "Goldstein on Gelt." He has written several books on personal finance, including *Building Wealth in Israel*, *The Expatriate's Guide to Handling Money and Taxes*, and *The Retirement Planning Book*.
