following review helpful. True New Translation not a Cookie Cutter Of Master Musashi's Book.By Customer JTGreat Book, Gives a different spin to the classic.Its about time this masterpiece was translated for combat with out the wishy washy stuff. I mean he was a master dueler after all.Explains other tactics,strategies,concepts,left out on other supposedly new translations,especially for martial arts.0 of 0 people found the following review helpful. Five StarsBy A. KennedyGreat book. I keep purchasing it because I gift it to other people.

The Book of Five Rings by Musashi Myamoto provides valuable lessons for anyone facing challenging circumstances;from business, war, and sports to fields of art, love, and politics.Samurai Strategies has extracted the fundamentals of Musashi's martial tactics and explains them here in a context for use in the modern world. These strategies for winning are as valid today as they were in 17th century Japan and provide valuable insights for anyone in any field to endeavor.About his new edition: This expanded edition of Samurai Strategies features a new introduction by the author, and additional commentary in each chapter by renowned Japanese author and samurai expert Michihiro Matsumoto.
