Dennis Blitz : Save Smart, Earn More: The New Rules for Retirement Investing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Save Smart, Earn More: The New Rules for Retirement Investing:

0 of 0 people found the following review helpful. Enjoyed itBy CustomerThis was a really great read as someone who is just starting to invest. It was very informative and gave a lot of great tips. It also helped me feel more at ease when considering different types of investments.0 of 0 people found the following review helpful. Tremendously helpfulBy stacy viederI am a mom to two small boys and was very nervous about securing our future finances. This book

illustrated how we should be saving for our future as well as how we should be spending now. Blitz has a great way of explaining exactly what we could be doing and why we should be doing it. His ideas are easy to follow and just make sense. I would highly recommend this book for anyone that's interested in saving for not only the future, but also the present. It's a quick read and I've already seen some great results. 1 of 1 people found the following review helpful. A MUST READ!! By Lauryn Rochlen Save smart, Earn more is a well-written book that's personable and enjoyable to read. The author's personality shines through, and it's easy to follow his steps and suggestions to start the path towards saving smart. A highly recommended read...

Blitz writes in a conversational style that even a novice investor can understand. Believe me, his ideas and strategies will set you on the road to becoming a millionaire!" -John Slatter, CFA, author of *The 100 Best Stocks You Can Buy*. If you're one of America's 78 million baby boomers, you've seen the Doomsday headlines, warning you that you're not saving enough to retire. Are you really headed for poverty in your retirement? Expert author Dennis Blitz says no. You may be saving enough-but you may not be saving smart enough. But you don't have to scrimp and sacrifice to save more. Instead, you need to know the most effective ways to get a better return on your investment-what really counts in wealth creation. From this book you will learn: The Nine Rules of Smart Investors; A theory to help investors measure risk; The right way to diversify; How to determine a good value stock. With the help of *Save Smart, Earn More*, you can retire in comfort and security-no matter what your current financial situation.

About the Author Dennis Blitz is the former President of Dearborn Financial Publishing and author of several best selling texts used by investment professionals in the broker/dealer industry.
