Chade-Meng Tan, Daniel Goleman, Jon Kabat-Zinn : Search Inside Yourself: The Unexpected Path to Achieving Success, Happiness (and World Peace) before purchasing it in order to gage whether or not it would be worth my time, and all praised Search Inside Yourself: The Unexpected Path to Achieving Success, Happiness (and World Peace):

4 of 4 people found the following review helpful. Engineer's wifeBy Alison RiniThe engineer's guide to developing

mindfulness - I love how his analytical rationale compliments other spiritual or intuitive explanations. I learned new ways to think about mindfulness practice, and new ways to explain its components to engineers I may encounter as well. :) I personally found him pretty hilarious too. :) 0 of 0 people found the following review helpful. Well done: earthy and relevant
By EsDeI This book is relevant, accessible, and really down to earth. Chade's humor is well-timed and while delivered, he really does demystify meditation as just training your mind to attention and how this will impact virtually every part of your life including your business life and your personal life. I have been motivated now to take the SIY training coming soon to a town near me and if I continue I would likely become SIY instructor. I also want to fill the world with kindness and compassion, starting with myself and those closest to me

By Sara Another gift for my hubby, who enjoyed it. Keeps this book on his shelf and often reads back to refresh his mind.

With *Search Inside Yourself*, Chade-Meng Tan, one of Google's earliest engineers and personal growth pioneer, offers a proven method for enhancing mindfulness and emotional intelligence in life and work. Meng's job is to teach Google's best and brightest how to apply mindfulness techniques in the office and beyond; now, readers everywhere can get insider access to one of the most sought after classes in the country, a course in health, happiness and creativity that is improving the livelihood and productivity of those responsible for one of the most successful businesses in the world. With forewords by Daniel Goleman, author of the international bestseller *Emotional Intelligence*, and Jon Kabat-Zinn, renowned mindfulness expert and author of *Coming To Our Senses*, Meng's *Search Inside Yourself* is an invaluable guide to achieving your own best potential.
