**Rakesh Godhwani : Seek: Finding Your True Calling** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Seek: Finding Your True Calling:

If I don't crack this job, how will I repay my education loan? If I join an IT company, will I be able to shift to banking after two years? These questions seem very familiar, don't they? Every student has similar concerns about what career path they should tread. Seek provides insights into the various fields and

industries—consulting, IT, media, oil and gas—by delving into stories of successful IIM Bangalore alumni like Arun Balakrishnan, Malavika Harita, and Apurva Purohit who have made a dent in their respective professions and fields. Rakesh Godhwani offers smart, practical advice on following your passion and finding your dream job.
