Annegret Flohr : Self-Regulation and Legalization: Making Global Rules for Banks and Corporations (Global Issues) before purchasing it in order to gage whether or not it would be worth my time, and all praised Self-Regulation and Legalization: Making Global Rules for Banks and Corporations (Global Issues):

Departing from an International Relations perspective, this book inquires how industry self-regulation affects the role of international law in governing global banks. It provides case studies of the Wolfsberg Principles and the Equator Principles.

About the Author Annegret Flohr is Research Fellow at the Peace Research Institute Frankfurt, Germany. She specialises in the role of banks and extractive industries in international politics. Her recent publications include *The Role of Business in Global Governance* (co-authored with Lothar Rieth, Sandra Schwindenhammer and Klaus Dieter Wolf).
