Dennis Kimbro : The Wealth Choice: Success Secrets of Black Millionaires before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wealth Choice: Success Secrets of Black Millionaires:

2 of 2 people found the following review helpful. This book is a thought processBy CustomerI admit to being a voracious reader. It's not unusual for me to finish a book in an all-night session. However, this book is so full of wisdom, it would be a disservice to speed read through it. I'm learning to take my time, really letting the concepts of how the rich think, believe and behave sink deeply within me. This book isn't a novel, its a thought process. Very well done.6 of 6 people found the following review helpful. An awesome read for allBy Lorretta ZacheryThis book is really

a must have for every individual, no matter their economic background. For the poor that wants to climb out of the hole, Dr. Kimbro has included basic small steps for taking personal action to change the final outcome of your income. Being able to read testimonies of others' success, helps to reignite the fire within to do and be better. I plan to purchase each of the other titles that he has written. This was well worth the cost of the book. 0 of 0 people found the following review helpful. The predecessor to Think and Grow Rich the black choice By tBiz This is kind of an extension of 'Think and Grow Rich the black Choice' which is a phenomenal! This book it's summarized, inspiring and gives plenty of motivation to take you to the next level in life.. I recommend reading ' Think and Grow Rich the black choice' then shortly after read this book.

It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. Based on a seven year study of 1,000 of the wealthiest African Americans, The Wealth Choice offers a trove of sound and surprising advice about climbing the economic ladder, even when the odds seem stacked against you. Readers will learn about how business leaders, entrepreneurs, and celebrities like Bob Johnson, Spike Lee, L. A. Reid, Herman Cain, T. D. Jakes and Tyrese Gibson found their paths to wealth; what they did or didn't learn about money early on; what they had to sacrifice to get to the top; and the role of discipline in managing their success. Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to:

- Develop a wealth-generating mindset and habits
- Commit to lifelong learning
- Craft goals that match your passion
- Make short-term sacrifices for long-term gain
- Take calculated risks when opportunity presents itself

From Booklist Whatever the circumstances of an individual's life—disadvantages of race, social status, or economic climate—wealth is a choice, argues Kimbro as he explores the lives of several successful African Americans to plumb the lessons of achieving wealth. Kimbro offers seven "laws" of wealth, including knowledge as an economic weapon, the importance of resolve, the pursuit of special gifts, and opportunities gained through service. Drawing on seven years of research and interviews with entrepreneurs and celebrities, Kimbro highlights the personality traits and habits that have led them to succeed against great odds. Among his interview subjects are Bob Johnson, Terry McMillan, Spike Lee, T. D. Jakes, and Richard Parsons. Kimbro explores their attitudes and early lessons on money as well as the personal challenges they faced to achieve success. Although targeted at African Americans, readers of all races and ethnicities will appreciate these inspiring stories and insights on overcoming obstacles and achieving wealth. --Vanessa Bush "Kimbro aims to empower, encourage and educate readers to rethink their relationships with money. Filled with good advice, this faith-based primer will cheer readers up and on." Success Magazine "A thoughtful, encouraging guide to creating a life that welcomes wealth." Publishers Weekly "Readers of all races and ethnicities will appreciate these inspiring stories and insights on overcoming obstacles and achieving wealth." Booklist "Dennis Kimbro deftly pinpoints the factors that create wealth, and more importantly, those that allow an individual to retain it. His comprehensive research has culminated in an inspiring, timely, and insightful work." Dr. Randal Pinkett, Chairman and CEO of BCT Partners, Co-author of Black Faces in White Places "Dr. Kimbro has crafted a radically fresh masterpiece that cogently articulates the instinct, spirit, and resolve of the Black Millionaire. This instructive and highly readable synthesis weaves together lucid gems of wisdom gleaned from a broad spectrum of experiences and sources, and should be required reading for anyone with even a faint desire to succeed. Every accomplished 'doer' utilizes the concepts in this book; but it took Dr. Kimbro to write them down for the rest of us. Pure genius!" Valerie Daniels-Carter "Very simply, The Wealth Choice is the only choice. After the long and storied history of civil rights, what we need most now is a new and relevant vision that shows how to make free enterprise and capitalism actually work for the poor. Dennis Kimbro is giving this generation and the next the password to future achievement in America, and beyond. I, for one, am with him." John Hope Bryant, founder of Operation HOPE About the Author Dennis Kimbro is the author of four books, including Think and Grow Rich: A Black Choice, and is a certified Napoleon Hill Science of Success trainer and leadership coach. Kimbro's motivational lectures have influenced the boardrooms of General Motors, Walt Disney, Frito-Lay, and Wells Fargo. He has appeared on such shows as the Today show and Larry King Live, and has been featured in Success, The Wall Street Journal, The New York Times, and USA Today. Kimbro is listed in Who's Who in Black America and is the former director of the Center of Entrepreneurship at Clark Atlanta University.
