Emma Jaques : The Winning Bid: A Practical Guide to Successful Bid Management before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Winning Bid: A Practical Guide to Successful Bid Management:

The Winning Bid is an easy-to-read practical guide which will teach the reader how to think like a professional bid manager. It gives essential advice on, amongst other things: PQQs and bid readiness, GIVE analysis, competitor analysis, grantwriting and funding bids best practice, freedom of Information as a research and continual improvement

tool, a view from the buyer's side - featuring feedback from buyers on their experiences of being on the receiving end of bids, measuring bid performance over time, virtual team management, sharing bid best practice with other Bid Managers through APMP membership and accreditation, LinkedIn groups, the new Cabinet Office feedback channel. It will appeal to anyone engaged in bidding activity, from the bid novice to professional bid managers.

"[L]ucid and often list-intensive text with tables, charts, tips and rules, plus the example of London's bid for the 2012 Olympic Games. ...getAbstract finds this very specific book useful for bid managers, buyers and bidding-war observers."
