Richard Holloway : Towards Financial Self-reliance: A Handbook of Approaches to Resource Mobilization for Citizens' Organizations before purchasing it in order to gage whether or not it would be worth my time, and all praised Towards Financial Self-reliance: A Handbook of Approaches to Resource Mobilization for Citizens' Organizations:

'Provides an excellent conceptual framework for the various approaches to resource mobilization.' Paiboon Wattanasiritham, Director General, Chief Executive Officer, Government Savings Bank, Thailand A clear and practical guide aimed at the managers of civil society organizations, including non-governmental organizations, citizens' movements, co-operatives, trade unions and other grass-roots organizations primarily in developing countries, on how to mobilize funds and other resources and in doing so become financially self-reliant. The author examines numerous and varied options, covering earned income, local foundations, governmental sources, foreign agencies, the corporate sector, microcredit, the internet and social investments, setting these within a strategic overview of planning and management effectiveness.
