**A. Styhre, Mats Sundgren : Venturing into the Bioeconomy: Professions, innovation, identity** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Venturing into the Bioeconomy: Professions, innovation, identity:

This book reports empirical material from three case studies in the pharmaceutical industry, the biotechnology

industry and the domain of academic research. New technoscientific frameworks that have not yet translated into new therapies, in the future, may play a more central role in the late-modern society.

About the Author ALEXANDER STYHRE Professor at the University of Gothenburg, Sweden, in the Department of Business Administration, specialising in managing knowledge-intensive industries. MATS SUNDGREN Senior Research Fellow Principal Scientist at Chalmers University of Technology, Sweden, and specialises in knowledge intensive work and innovation management.
