Richard S. Gallagher : What to Say to a Porcupine: 20 Humorous Tales That Get to the Heart of Great Customer Service before purchasing it in order to gage whether or not it would be worth my time, and all praised What to Say to a Porcupine: 20 Humorous Tales That Get to the Heart of Great Customer Service:

0 of 0 people found the following review helpful. this is a great read. Gives great insight into how to deal ...By Kevin FIf you are in the customer service industry, this is a great read. Gives great insight into how to deal with the more difficult customers, or how to handle different customer situations.1 of 1 people found the following review helpful. Simplistic, yet effective!By Does DallasThe end of each chapter "Moral" and the questions lead to good training material. And this is a VERY, VERY easy read. If you want something a bit more technical, it isn't for you.0 of 0

people found the following review helpful. great for customer service
By P UHad to read this for my college class in Customer Service and Found it to be very helpful others should read.

" What do a demanding colony of porcupines, an upscale restaurant run by hyenas, and a famous medieval knight have in common? They are all part of one of the most entertaining and instructive books on customer service ever written. What to Say to a Porcupine uses the format of Aesop's fables to illustrate fundamental principles of customer service, including:
By a Hare: Great service is all about going the extra mile, as learned by a group of rabbits running an express mail delivery service.
Bear with Me: One grizzly bear's honey shop undergoes an amazing transformation when he discovers a better way to greet his customers.
What to Say to a Porcupine: When a newly arrived colony of demanding porcupines wreaks havoc on local businesses, readers get a lesson on handling difficult customers in a positive, constructive manner.
Each story is followed by a short discussion, illuminating topics from customer relationships to how to motivate a service team. Fun, quick, and constructive, this is a guide for anyone involved in customer service. "
