**Mohamed El-Erian : When Markets Collide: Investment Strategies for the Age of Global Economic Change: Investment Strategies for the Age of Global Economic Change (General Finance Investing)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised When Markets Collide: Investment Strategies for the Age of Global Economic Change: Investment Strategies for the Age of Global Economic Change (General Finance Investing):

0 of 0 people found the following review helpful. Four StarsBy boukiliias described.0 of 0 people found the following review helpful. Great many insightsBy Rafael A LBook has excellent content, michmof which is very practical for those who manage assets professionally and think about things as invesment process and discipline. No, not all the books content is sexy and at times it is hard to connect the dots. But this is the kind of book that is filled with great insights about a great many investment related things.0 of 0 people found the following review helpful. a 2nd El-ErianBy Marlon VarsaceWhile not truthfully impact-full, i did enjoy this book. I do more enjoy the authors television interviews and opt eds.

SELECTED AS A 2008 BEST BUSINESS BOOK OF THE YEAR BY THE ECONOMIST "ONE OF THE SMARTEST INVESTORS ON THE PLANET."--MONEY MAGAZINE ldquo;This book is an essential read for those who wish to understand the modern world of investing.rdquo;mdash;Alan Greenspan Winner of the 2008 Financial Times and Goldman Sachs Business Book of the Year Award When Markets Collide is a timely alert to the fundamental changes taking place in today's global economic and financial systems--and a call to action for investors who may fall victim to misinterpreting important signals. While some have tended to view asset class mispricings as mere ldquo;noise,rldquo; this compelling book shows why they are important signals of opportunities and risks that will shape the market for years to come. One of today's most respected names in finance, Mohamed El-Erian puts recent events in their proper context, giving you the tools that can help you interpret the markets, benefit from global economic change, and navigate the risks. The world economy is in the midst of a series of hand-offs. Global growth is now being heavily influenced by nations that previously had little or no systemic influence. Former debtor nations are building unforeseen wealth and, thus, enjoying unprecedented influence and facing unusual challenges. And new derivative products have changed the behavior of many market segments and players. Yet, despite all these changes, the system's infrastructure is yet to be upgraded to reflect the realities of today's and tomorrow's world. El-Erian investigates the underlying drivers of global change to shed light on how you should: Think about the new opportunities and risks Construct an appropriately diversified and internationalized portfolio Protect your portfolio against new sources of systemic risk Best think about the impact of central banks and financial policies around the world Offering up predictions of future developments, El-Erian directs his focus to help you capitalize on the new financial landscape, while limiting exposure to new risk configurations. When Markets Collide is a unique collection of books for investors and policy makers around the world. In addition to providing a thorough analysis and clear perspective of recent events, it lays down a detailed map for navigating your way through an otherwise perplexing new economic landscape.

From the Back CoverThe #1 New York Times and #1 Wall Street Journal Bestseller ldquo;Mohamed A. El-Erian is one of the most gifted and successful risk management practitioners in the world. In this book he combines an academicsquo;s insight into advanced risk analysis with a portfolio managerrsqo;s grasp of real world economics. This book is an essential read for those who wish to understand the modern world of investing.rdquo; Alan Greenspan "Few people are as well positioned to understand markets as Mohamed El-Erian. He is almost unique in being able to attack the credit crisis from the perspectives of academic economist, policy official, investment banker and fund manager...Mr. El-Erian's insights are as valuable as ever."--Financial Times "El-Erian is a doer and a thinker and someone who understands the risks of rare events. [Never before, have] I seen such a combination. Read this book." Nassim Nicholas Taleb, author The Black Swan ldquo;This extraordinary book portrays the future with a powerful and trail-blazing illumination of the past.rdquo; Peter L. Bernstein, author Capital Ideas Evolving ldquo;Brilliantly written, easy to understanda forceful explanation of our changing global economy.rdquo; Bill Gross, Managing Director, Founder and CIO, PIMCO ldquo;Mohamed El-Erian, with his deep grounding in economics and his profound knowledge of financial markets, has written a book that no one else could write.rdquo; Seth A. Klarman ldquo;Mohamed El-Erian'squo;s book is an important, wise and insightful analysishellip;rdquo; Michael Spence, recipient of the Noble Prize in Economics (2001) ldquo;I can think of no better guide to the terrifying yet exhilarating new world of global financehellip;rdquo; Niall Ferguson, William Ziegler Professor at Harvard Business School ldquo;Mohamed El-Erian is a deep thinker of the global financial and economic scene.rdquo; Arminio Fraga, Founding Partner, Gavea Investimentos and Former President, Central Bank of Brazil ldquo;Mohamed El-Erian is that rare creature: a skillful participant in financial markets who is also a brilliant analyst of them. He has written a book that is important and urgent.rdquo; Fareed Zakaria, editor, Newsweek International "Mr. El-Erian . . . offers extremely detailed advice.rdquo;--Paul B. Brown, The New York Times ldquo;El-Erian...specializes in spotting trends amid the blur and clanging noise of markets in motion. He steps back to consider the big picture and offer tips on how to allocate your assets in his new book, When Markets Collide: Investment Strategies for the Age of Global Economic Change. El-Erian does offer something valuable for investors seeking to benefit from the global economic realignment: a road map. In a chapter on asset allocation, he provides an illustrative mix for a long-term U.S.-based investor.rdquo; --Bloomberg News ldquo;The recent turmoil in financial markets is a symptom of realigning economic power around the world, promising investors more rough times ahead, prominent fund manager Mohamed El-Erian

writes in a new book. rdquo;--Reuters About the Author Mohamed A. El-Erian is co-CEO and co-CIO of PIMCO, one of the largest investment management companies in the world. He formerly served as president and CEO of Harvard Management Company, the firm that manages the university's \$35 billion endowment. He spent 15 years at the International Money Fund, working on policy, capital market, and multilateral economics issues. El-Erian has been featured by "Bloomberg", "Forbes", "Financial Times", "Latin Finance", CNBC, "The New York Times", and "The Wall Street Journal". In 2004, Fortune named him a member of its eight-person Mutual Fund Dream Team. Georgetown University
