Jason Cunningham : Where's My Money?: 10 Sure-Fire Ways to Keep, Earn and Grow More Money before purchasing it in order to gauge whether or not it would be worth my time, and all praised Where's My Money?: 10 Sure-Fire Ways to Keep, Earn and Grow More Money:

0 of 0 people found the following review helpful. good read for beginners and intermediateBy audwinEnjoy reading it as Jason was funny and still informative. I initially thought the book was more targeted for beginner but it reminded me a lot of things that I have not really done. It is not a book to teach you on how to reach your financial freedom but

it provides solid foundation as to what steps you need to take to get there. I wish I knew some of them when first starting my journey and always good to re-visit .I am giving 4 out of 5. Well done Jason.0 of 0 people found the following review helpful. Clearly communicated intro to financial conceptsBy T. EldridgeWhere's my money is a readable introduction to key financial concepts.I recommend it, especially for those who have little to no financial knowledge- Jason's strength lies in his ability to communicate these topics clearly without resorting to jargon.

Are you sick of living from payday to payday? Do you wish for a secure financial future? Are you always asking yourself 'Where has my money gone?'
