Jeff Lucas : Will Your Prodigal Come Home? before purchasing it in order to gauge whether or not it would be worth my time, and all praised Will Your Prodigal Come Home?:

10 of 10 people found the following review helpful. I am so grateful for this honest look at the prodigal. By CustomerIt took me a week to get through the first two chapters of this book. I would have to stop reading because I couldn't see through the tears. It was as if Mr. Lucas had been living in my heart. He verbalized like know one I have read how the parent of a prodigal feels. His compassionate understanding of God's love for us the true prodigals and how through this He knows our pain and hears our hearts was amazingly comforting. His suggested prayer for the prodigal and

examples of what this means gave me courage I wish I could thank him for this book personally. This is a great book for grieving parents that gives understanding, hope and restores faith in a God who understands and loves us and our prodigal. Thank you Mr Lucas.0 of 0 people found the following review helpful. so-soBy DianeI don't know that any book will really help bring prodigals home; it hasn't with mine yet. Anyway, it is good to know that other people have similar trials.0 of 0 people found the following review helpful. Five StarsBy Rajan RajasinghamIt was so helpful!

If you have had your heart broken by a prodigal, you know the pain of being hurt or disappointed by a loved one hellip; and the utter despair of seeing them turn away from Christ and the cross. In *Will Your Prodigal Come Home?* author Jeff Lucas delivers a message that is both challenging and comforting as he outlines the chaotic situations and emotions that families of prodigals face. Lucas acknowledges that every prodigal is different. Some have defied God. Some are lured by drugs, alcohol, or crime. Others have drifted until the emotional and physical distance feels unbearable. Still others are in church pews, with hearts closed to Jesus. Clearly, there are no easy answers. But through understanding, insight into the emotions that form within families, and an acknowledgement of the power of prayer, this book outlines a solid approach to help guide your prodigal home and help you keep your own faith as you wait.

'This page-turner of a book is not only an investment in the life of your prodigal, but in your life as well.' -- Rob Parsons, Executive Director of Care for the Family From the Back Cover If you have had your heart broken by a prodigal, you know the pain of being hurt or disappointed by a loved one hellip; and the utter despair of seeing them turn away from Christ and the cross.
