V. Holton, F. Dent : Women In Business: Navigating Career Success before purchasing it in order to gage whether or not it would be worth my time, and all praised Women In Business: Navigating Career Success:

Much has been written about equal opportunity issues but little has been published about how organisations might provide more structure and support to ensure women's progress to the most senior business levels. This book looks at the career experiences of a group of women managers and consider what helps, and what still hinders their progress.

'...company culture and stereotyping still needs to change significantly in order for women to reach the top. Those who take the time to read *Women in Business* will find it a useful tool in tackling this issue.' - The Financial Times

About the Author
VIKI HOLTON is Research Fellow at Ashridge Business School, UK. Her interests include surveying current trends in management and management development, best practice in career development, HR, equal opportunities and the development of women managers. Viki's current projects include research into women's leadership in the Middle East and a survey of management opinion ndash; The Ashridge Management Index.

FIONA ELSA DENT is Director of Executive Education at Ashridge Business School. As a member of the Ashridge Management Committee, she is responsible for one of the two education faculty groups which manage programmes, client relationships and deliver management development solutions across Ashridge. Fiona teaches, consults and researches in a broad spectrum of leadership, personal, interpersonal and relationship skills and works with a range of international clients. She is the author of several books including *The Leadership Pocketbook* and *The Leader's Guide To Influence: How to Use Soft Skills to Get Hard Results*.
