Marc Ostrofsky did a great job. During the reading, you will find lots of case studies and references for apps and resources of all kind. Thumbs up. Besides

that, I totally disagree in his idea of privacy and how we should rethink it to let companies to intrude our lives. In occasions, I felt the text some apologetic about that concern. Nevertheless, the reading is easy, interesting, very well documented, and the information contained within is clue to understand how we live, buy, sell, play and communicate in the internet age today. Recommended. 3 of 3 people found the following review helpful. A good read but not nearly as informative as Get Rich Click By scott shaffer I loved Get Rich Click because it offered numerous ways to be an Internet entrepreneur..my version is filled with highlighting and bent pages. Word of Mouse discusses more current digital applications and what benefits they offer. I do like Marc these Words...Marc is definitely an Internet visionary. 1 of 1 people found the following review helpful. "Learn More, Earn More" Is My New Mantra! This book will tell you why?
