From Palgrave Macmillan : Work Matters: Critical Reflections on Contemporary Work (Critical Perspectives on Work and Employment) before purchasing it in order to gage whether or not it would be worth my time, and all praised Work Matters: Critical Reflections on Contemporary Work (Critical Perspectives on Work and Employment):

Work Matters brings together a strong collection of narratives from the ethnographic field to discover the reality of pressure and change in the modern workplace. Chapter-by-chapter, experts in the field of work and employment examine empirical accounts and explain the forces shaping today's organisations through a critical, contemporary perspective. The result is a powerful compendium of voices that will provoke a reassessment of work trends and inform the future of policy and managerial practice. Key benefits:

- Understand the real issues that affect modern worklife within global capitalism from a range of perspectives
- Evaluate key debates about work quality through a flexible, critical mindset and a social perspective
- Build a strong social understanding of work place issues through a diverse and international set of field accounts, from the UK, Europe, the US, Australia and New Zealand

From the Back Cover Work Matters brings together a strong collection of narratives from the ethnographic field to discover the reality of pressure and change in the modern workplace. Chapter-by-chapter, experts in the field of work and employment examine empirical accounts and explain the forces shaping today's organisations through a critical, contemporary perspective. The result is a powerful compendium of voices that will provoke a reassessment of work trends and inform the future of policy and managerial practice. Key benefits: Understand the real issues that affect modern worklife within global capitalism from a range of perspectives Evaluate key debates about work quality through a flexible, critical mindset and a social perspective Build a strong social understanding of work place issues through a diverse and international set of field accounts, from the UK, Europe, the US, Australia and New Zealand" About the Author SHARON BOLTON is Professor of Organizational Analysis at Strathclyde University Business School, Glasgow, UK.
