I have been reading the Bible for over 10 years, noting and studying the vast knowledge and information available to those who seek it out. I keep telling people, "Just read the book"!Napoleon Hill's book has a similiar effect. His study on humans who succeed and why takes you to a new level of insight into positive thinking and helps you grasp insight into the availability of a higher universal intelligence. Wow! It will take all the negativity and procrastinating thoughts and dump them in the trash barrel along with lack of faith in yourself. No educational seminar or college course can pack in this much knowledge if you will "Just read the book"!0 of 0 people found the following review helpful. The ultimate all-in-one prosperity bible, featuring updated editions of the greatest works by the champion wealth builder of all time, Napoleon Hill. The timeless personal success writings of Napoleon Hill have inspired millions of readers to reach for and achieve their dreams since his debut book appeared in 1928. Now, three of Hill's most dynamic titles are available together for the first time, revised and updated in this convenient omnibus edition: *Think and Grow Rich*, one of the bestselling books of all time and one of the most successful reissues in recent publishing history, is Hill's landmark volume on wealth building. *The Magic Ladder to Success*, available nowhere else, is the volume in which Hill first distilled the seventeen factors that make up his "Law of Success" philosophy. These seventeen factors are composed of specific beliefs and actions that enable leaders to triumph in many fields. *The Master-Key to Riches* is the actual handbook once used by Hill and certified teachers of his success methods. This is the reference that the master teacher provided for the teaching of his ideas. While all three titles are revised to avoid arcane language or points of references, each features the full range of ideas and exercises that appeared in the original volumes. These are the self-help classics that most marked Hill's success as the greatest prosperity teacher in history. Together, they provide the ultimate guide to attaining the life of your dreams.
