Mahlon L. Hetrick : Your Money in Tough Times: Personal Finance from a Biblical Perspective (Value Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Your Money in Tough Times: Personal Finance from a Biblical Perspective (Value Books):

0 of 0 people found the following review helpful. A very good effort using a Biblical message for managing your finances. By Nancy L. Randall The beginning of the book is what I was looking for and will use this information in a study for Church Stewardship. Later chapters are too technical and too much detail. I'm not a micro management person unless it's really necessary. The book is better read as a pick and choose the chapters on a need to know bases. I feel it's not a cover to cover read. While the details about buying a house is important for some, not everyone who reads this book needs that information. Overall I like the book.

Has the economy got you down? Weather any financial low tide with Your Money in Tough Times--a practical, easy-to-use guide for anyone seeking financial freedom. This useful guide offers a clear vision of stability in times of financial turmoil, and practical thoughts for attaining monetary balance. With a compendium of helpful budgeting templates and timely fiscal topics on tracking and controlling spending, creating a budget, and getting out of debt, Your Money in Tough Times is a relevant resource based on spiritual principles that will help anyone thrive financially.
